

EngineCheckUp Commercial Fleet Package

Complete Engine Analysis for Six Vehicles

Tested and Approved by TÜV, an Independent German Testing Authority

Award Winning and Patented Radial Planer Chromatography Technology

Immediate Results for Maximum Performance

All 4 stroke Diesel and Petrol (Gasoline) Engines

**Engine Analysis identifies contaminants: Dirt and Grime, Carbon, Water, Glycol, Fuel
Test works anytime, anywhere with one drop of oil**

Commercial Fleet Package:

► Engine Analysis:

A simple analysis of one drop of oil will determine the type and degree of contamination present in your engine. Identify problems before they become major repairs. Minimize downtime and reduce repair costs.
